This notice affects 91 customers and includes the following addresses:  

7TH Ave. N- 2202 (3 Units)  
23rd Ave. S- 3350 (8 Units), 3551 (10 Units), 3575 (4 Units), 3599 (10 Units), 3600, 3646 (9 Units), 3670 (8 Units), 3694 (10 Units), 3718, 3677 Bld. A, B, C (27 Units)  

A precautionary boil water notice will be issued for your area served by the City of Lake Worth Beach Water Utilities potable water distribution system beginning on 01/25/2021 at 9:00 am.  

Water will be off from 9:00 am to 9:30 am.  
Reason for notice: Valve left off by contractor located at, 3551 23rd Ave S.  

Therefore, as a precaution, the Utility is advising that all water used for drinking, cooking, making ice, brushing teeth, or washing dishes be boiled. A rolling boil of one minute is sufficient.  

Where there is a loss of power and you are unable to boil water, disinfect water using household bleach. Add 6 drops of bleach to each gallon of water. Double the amount of bleach if the water is cloudy, colored, or very cold. Stir and let stand for 30 minutes.  

This precautionary boil water notice will remain in effect until the problem has been corrected and a bacteriological survey shows that the water is safe to drink.  

A rescission notice will be sent to residents and Health Department as soon as satisfactory tests are completed. Should you have any questions please contact the Water Systems Department at (561)586-1719 or Water Treatment Plant at (561) 586-1710.
